History Redcliffe (formerly the Redcliffe Historical Society Inc) commissioned 10 solid silver medallions to be released, one per annum, in the lead up to the 200th anniversary of First Qld European settlement at Redcliffe. Produced by the Royal Perth Mint, they are 99.9% pure silver, 32mm in diameter and come in an attractive Presentation Box. These medallions have a limited release of up to 250 and each reflect the history of the Redcliffe Peninsula with an appropriate emblem.

The first medallion was released in November 2015 at a purchase price of \$99 depicting the “Brig Amity”, the ship that brought the first convicts to Moreton Bay. Limited numbers of this medallion and subsequent issues, “Red Cliffs 1799”, “Redcliffe Jetty 1922”, “SS Koopa 1911”, “Anzac Memorial Avenue 1925” are still available at \$99.00 (plus postage where required).

Our 2020 medallion “Hornibrook Bridge Portal 1935” is the 6th in the Series. We are now taking orders for this medallion and any of the previous five Medallions.

The individual medallions will not be numbered but each medallion will be issued with a numbered Certificate of Authenticity. Previous purchasers will be issued with their usual Certificate Numbers. New purchasers will be given a Certificate Number of their choice chosen from the remaining unissued numbers.

Terms and conditions: The full price of the 2020 Commemorative 6th Medallion “Hornibrook Bridge Portal 1935” remains at \$99.00.

Medallions and Certificates will be issued on receipt of full payment of \$99.00 plus \$13 if postage is required.
